

# **Indiana Utility Regulatory Commission**

## **Communication Among Commissioners and Staff**

**Jerry Webb**

**Director Gas, Water and Sewer**

January 2003

---

## **Docketed Cases**

- Meeting prior to pre-hearing conference
  - Staff reports issued prior to hearings
  - Meetings prior to hearings to discuss issues
-

## Docketed Cases – cont.

- After hearings, frequently a meeting to discuss how the case should be decided
  - Work on proposed order, often involves meetings and emails to address issues
- 

3

## Non-Docketed Cases

Assignments on major projects (i.e. rulemakings) are frequently delegated by Commissioners to staff .

Staff drafts documents and reports back to Commissioners to progress on the project. Staff and Commissioners may occasionally meet to measure progress and determine to next step in the process.

---

4

## **Non-Docketed Cases – Cont.**

Special projects, like a preliminary inspection or review of a utility's operations are often assigned by the Chairman to the Staff to prepare an informal report.

---

5

## **Division Meetings**

Periodic division meetings serve to help manage staff assignments in both docketed and non-docketed proceedings.
