

Resolution on Reorganization of the Staff Subcommittees of the
Committee on Finance and Technology

WHEREAS, The Committee on Finance and Technology as the NARUC "committee of convergence" is fortunate to have outstanding staff subcommittees for technical support, and

WHEREAS, In order to respond to the rapidly changing world of regulation during the current technological revolution, and

WHEREAS, The staff subcommittees have proposed restructuring and consolidation in order to maintain efficiency, and

WHEREAS, a Working group of committee and staff subcommittee members have developed a workable and streamlined organization proposal, and

WHEREAS, The new organization requires the elimination and consolidation of the Staff Subcommittees on Depreciation and Economics and Finance into the following staff subcommittees:

- Competition and Performance Analysis
- Depreciation and Technology
- Electric Reliability
- Accounting and Finance
- Information Services

now therefore be it

RESOLVED, That the Board of Directors of the National Association of the National Association of Regulatory Utility Commissioners, convened at its Summer 2000 Meeting in Los Angeles, California, approves the reorganization of the staff subcommittees of the Committee on Finance and Technology.

Sponsored by the Committee on Finance and Technology
Adopted by the NARUC Board of Directors, July 26, 2000.
