

Resolution Honoring Greg R. White

WHEREAS, Greg R. White is a trusted and well respected staff member of the Michigan Public Service Commission, and has been a valued and dedicated member of the NARUC Staff Subcommittee on Nuclear Issues and Waste Disposal for twelve years; *and*

WHEREAS, Greg has served as Chairman of the Staff Subcommittee on Nuclear Issues and Waste Disposal since 1999; *and*

WHEREAS, Greg has provided distinguished leadership and thoughtful guidance to the Staff Subcommittee, as well as strong support and counsel to the Subcommittee; *and*

WHEREAS, Greg has always run a professional business meeting and graciously acknowledged the contributions of others, despite his having done most of the work; *and*

WHEREAS, Greg has skillfully shepherded numerous resolutions through the Subcommittee and to adoption as NARUC policy; *and*

WHEREAS, Greg has patiently and politely chaired approximately 182 conference calls on behalf of the Subcommittee, including some calls via cell phone while on vacation with his family; *and*

WHEREAS, At least one of those 182 calls actually began at the scheduled time; *and*

WHEREAS, Greg's unfailingly courteous and professional manner have won him the respect and friendship of his colleagues; *and*

WHEREAS, In the enthusiasm of his youth, Greg had visions that construction might actually begin at Yucca Mountain during his tenure as Chairman, however, as Greg has advanced in age, so have his powers of perception, and he now thinks he will be lucky if construction begins in his lifetime; *and*

WHEREAS, It is rumored that Greg had a full head of hair until he got involved with nuclear issues; *and*

WHEREAS, Greg has promised that he will remain an active member of the Subcommittee so that he can continue to share his vast historical knowledge and wisdom with his grateful fellow Subcommittee members; *and*

WHEREAS, Greg's decision to resign his position as Subcommittee Chair has been met with much sorrow from his fellow Subcommittee members, but we won't let that stop us from making sure he works with us for at least as long as it takes to get the first spent fuel shipment to Yucca Mountain; *now therefore be it*

RESOLVED, That the National Association of Regulatory Utility Commissioners (NARUC), convened at its 2006 Summer Meetings in San Francisco, California, hereby expresses its sincere

appreciation and thanks to Greg R. White for his seven years of leadership, hard work and service as Chair of the Staff Subcommittee on Nuclear Issues.
