

***Resolution in Honor of Jack P. Breen
Vice-Chair of the National Association of Regulatory Utility Commissioners'
Energy Resources and the Environment Staff Subcommittee***

WHEREAS, Jack P. Breen faithfully served as Vice-Chair of the National Association of Regulatory Utility Commissioners' ("NARUC") Energy Resources and the Environment Staff Subcommittee from 2002 – 2004; and energetically and cheerfully promoted the goal of providing utility customers with environmentally sustainable and affordable energy services; *and*

WHEREAS, Since 1990 when he joined the staff of the Oregon Public Utility Commission, Jack has dedicated himself to public service, first as Affiliated Interest Analyst, next as Senior Telecommunications Analyst, and finally as Program Manager of Electric Rates and Planning; *and*

WHEREAS, Jack has shown great concern for the environment through his efforts to promote energy efficiency and the use of renewable resources; *and*

WHEREAS, Jack has brought his broad experience at Pacific Bell, ADM Associates, Inc., and the California Energy Commission; *and*

WHEREAS, Jack, in his work with others, and willingness to accommodate numerous diverse viewpoints, epitomizes the attitude of the Nobel Prize winner and fellow Oregonian, Linus Pauling, who -- when asked by an eager student, "how can I have great ideas" -- answered "The important thing is to have many ideas;" *now therefore be it*

RESOLVED, That the Board of Directors of the National Association of Regulatory Utility Commissioners, convened in its November Annual Convention in Nashville, Tennessee, expresses its sincere appreciation to Jack P. Breen for his most dedicated public service to the Association; *and be it further*

RESOLVED, That the National Association of Regulatory Utility Commissioners (NARUC) convened in its November 2004 Annual Convention in Nashville, Tennessee extends its sincere appreciation to Jack Breen for his leadership and conveys to him its best wishes in future work with the Northwest Energy Efficiency Alliance and all other endeavors.

Adopted by NARUC November 17, 2004

Sponsored by the Committee on Energy Resources and the Environment
