

Resolution to Change the Name of the Staff Subcommittee of Executive Directors to the Staff Subcommittee on Executive Management

WHEREAS, The mission of the Staff Subcommittee of Executive Directors is to improve the effectiveness of the management and leadership of NARUC member organizations by providing a forum for top staff members to explore management and regulatory issues, to discuss alternative approaches to common challenges and to exchange information about emerging trends, *and*

WHEREAS, The name of the Staff Subcommittee of Executive Directors refers to a specific position title instead of the subject matter of interest to its members, *and*

WHEREAS, Referring to "executive management" in the subcommittee name will more clearly reflect the group's focus and be more inclusive, *and*

WHEREAS, It is hoped that the name change will result in greater participation by States that do not use the title of executive director or have decentralized the executive management function, *now therefore be it*

RESOLVED, That the National Association of Regulatory Utility Commissioners (NARUC), assembled in its November 2000 112th Annual Convention in San Diego, California, approves the name change to the Staff Subcommittee on Executive Management.

Sponsored by the Board of Directors' Subcommittee on

Administration

Recommended by the Board of Directors.

Accepted in Convention November 15, 2000.
