Little Rock, Arkansas 72201

Downwind, LLC and Golden Bridge, LLC

- What: Organizations comprised of property owners within and adjacent to the proposed Plains & Eastern Clean Line Transmission Line Project corridor
- Where: Represent interests in every Arkansas county transected by the proposed Project

Downwind, LLC and Golden Bridge, LLC

- Purpose: Protect working agricultural operations and private property rights; avoid or mitigate against the Project's impacts; address environmental and economic impacts; and, educate impacted communities about the Project
- Action: Develop and implement strategies to avoid or mitigate Project impacts, including the use of legislation, education, courts , and any other forums.

Issues and Concerns

- Scope of the legal authority supporting federal involvement
- Usurpation of traditional state role in siting electric energy facilities

Issues and Concerns

- Sufficiency of the due process afforded the affected landowners during federal review
- Disparate treatment of landowners in different states
- Traditional concerns of involuntary co-tenants
