JOINT SESSION WITH GAS COMMITTEE -

SMALL BUSINESS ESSENTIALS CONTROLLING ENERGY COSTS

This roundtable discussion will focus on issues facing small business energy customers and what outreach is needed to enable these customers to make wise energy choices. Issues such as deposits, new service line extension costs, meter reading, estimated bills, late payment charges, tariff options (what rate is best) will be discussed. Commissions need to increase dialogue with this customer segment to ensure new and existing small business succeed in our states.
