***NOTE***

***Some of these resolutions are intended to be a surprise to the honoree so these will not be available on the NARUC app. until they are passed by the respective standing committees.***

***Honorary Resolution for Federal Energy Regulatory Commission  
Chairman Richard Glick***

*Whereas* Richard Glick served on the Federal Energy Regulatory Commission (FERC) as a Commissioner from 2017 to 2023, and as Chairman of FERC from January 21, 2021 until January 2023;

*Whereas* Chairman Glick served as general counsel for the Democrats on the United States Senate Energy and Natural Resources Committee, where he acted as a senior policy advisor;

*Whereas* Chairman Glick served as vice president of government affairs of Iberdola’s US renewable energy, electric and gas utility, and natural gas storage business;

*Whereas* Chairman Glick previously worked in both the private sector and government in legal, policy, and government affairs positions, including as senior policy advisor to the U.S. Energy Secretary and legislative director and chief counsel to U.S. Senator Dale Bumpers;

*Whereas* Chairman Glick is a graduate of the George Washington University and Georgetown Law;

*Whereas* Chairman Glick, as both Commissioner and Chairman, demonstrated a deep commitment to working productively with NARUC and individual state Commissions in support of an approach to energy regulation based on cooperative federalism;

*Whereas* Chairman Glick, as FERC Chairman, placed on the June 2021 FERC open meeting agenda and worked to establish the Joint Federal-State Task Force on Electric Transmission (Task Force) pursuant to 16 USC § 824h(b), a 100 year old, rarely used, provision of federal statute that allows for the cooperation between FERC and State commissions, including holding joint hearings “regarding the relationship between rate structures, cost, accounts, charges, practices, classifications, and regulations of public utilities;”

*Whereas* Chairman Glick successfully presided, jointly with a NARUC member, over the first five (5) meetings of the Task Force, which is comprised of the five (5) members of FERC and 10 members of NARUC, with two state commission representatives from each NARUC region, leading discussions on transmission that are of significant interest and concern to NARUC members;

*Whereas* Chairman Glick took a consistent, principled position on the PJM Interconnection, Inc. minimum offer price rule (MOPR) deferential to states, arguing that FERC orders “Unlawfully Target[ed] a Matter under State Jurisdiction”

*Whereas* Chairman Glick, as FERC Chairman, placed on the April 2022 FERC open meeting agenda and voted for a Notice of Proposed Rulemaking (Transmission NOPR), titled *Building for the Future Through Electric Regional Transmission Planning and Cost Allocation and Generator Interconnection*, that includes a significant role for states, including the ability to provide meaningful input into cost allocation;

*Whereas* Chairman Glick, while at FERC, prioritized attending NARUC’s Policy Summits and Annual Meeting and Education conferences;

*Whereas* Chairman Glick took efforts to engage and accept meetings with NARUC members from across the country;

*Whereas* Chairman Glick’s commitment to ensuring productive and congenial engagement between FERC and NARUC is appreciated by NARUC’s members; *now therefore be it*

*Resolved* that the Board of Directors of the National Association of Regulatory Commissioner, convened at its 2023 Winter Policy Summit, congratulates former FERC Chairman Richard Glick on his tenure at the Federal Energy Regulatory Commission and thanks him for his friendship and efforts on building and expanding the relationship between state and federal utility regulators, and wishes him the best in his future endeavors.

*Adopted by the NARUC Board of Directors on February 15, 2023*

### ***Honorary Resolution for Commissioner Judith Williams Jagdmann***

*Whereas* Judith Williams “Judy” Jagdmann was elected by the Virginia General Assembly to serve on the State Corporation Commission (“SCC”) in 2006, and was re-elected twice, serving in that capacity for almost 17 years;

*Whereas* Judge Jagdmann was actively involved in the National Association of Regulatory Utility Commissioners (NARUC), serving on the Executive Committee and as Chair of the Electricity Committee and the Taskforce on Military Workforce Development;

*Whereas* Judge Jagdmann was actively involved in the Mid-Atlantic Conference of Regulatory Utilities Commissioners, where she served as President from 2017-2018;

*Whereas* prior to becoming a Commissioner, the Virginia General Assembly in 2005 unanimously elected Judge Jagdmann as the 43<sup>rd</sup> Attorney General for the Commonwealth of Virginia;

*Whereas* prior to being named Virginia Attorney General, Judge Jagdmann served as Deputy Attorney General of Virginia for the Civil Litigation Division, where she participated in legislative and judicial proceedings regarding civil matters, redistricting, restructuring of the electric industry and various consumer matters;

*Whereas* Judge Jagdmann served in the SCC’s Office of General Counsel from 1985 to 1998, focusing on securities and utility matters;

*Whereas* Judge Jagdmann holds a Bachelor of Arts degree in history (with distinction) from the University of Virginia and a Juris Doctor degree from the University of Richmond School of Law;

*Whereas* Judge Jagdmann’s hard work, wisdom, pragmatism, temperament, and desire to understand all sides of an issue have benefitted all of the agencies and organizations in which she has served;

*Whereas* in the many NARUC panels she helped organize, Judge Jagdmann always emphasized the importance of educating fellow commissioners and the audience, and ensuring a balanced presentation of the issues;

*Whereas* Judge Jagdmann exemplified all aspects of being a dedicated public servant throughout her career, providing input into high-level regulatory matters;

*Whereas* Judge Jagdmann has a wicked sense of humor and a quick wit, which served her well in her leadership within NARUC, and which helped in addressing and successfully moving forward difficult issues and matters;

*Whereas* an avid fan of University of Virginia football and basketball, Judge Jagdmann and her husband Joe have two Wahoo children, Emily and Daniel, and one national basketball championship, to cherish;

*Whereas* after 37 years of exemplary public service, Judge Jagdmann decided to retire from the SCC in January 2023; *and*

*Whereas* Judge Jagdmann will be remembered at the Virginia SCC, NARUC, and the numerous organizations in which she has served for her commitment to public service, as well as her warm smile and sense of humor; *now, therefore be it*

*Resolved* that the Board of Directors of the National Association of Regulatory Utility Commissioners, convened at its 2023 Winter Meeting in Washington, D.C., colleagues and friends congratulate Commissioner Emeritus Judith Williams Jagdmann on her tenure at the Virginia State Corporation Commission, thanks her for her leadership and friendship, and expresses its best wishes for her in all her future endeavors.

### ***Honorary Resolution for Commissioner Ellen Nowak of Wisconsin***

*Whereas* Ellen Nowak was first appointed to the Public Service Commission of Wisconsin in July 2011 by Governor Scott Walker, and reconfirmed for a new, six-year term beginning on March 1, 2013;

*Whereas* Commissioner Nowak was named Chairperson of the Public Service Commission of Wisconsin in March of 2015;

*Whereas* Commissioner Nowak was appointed to the National Association of Regulatory Utility Commissioners (NARUC) Board of Directors in 2015 by NARUC President Lisa Edgar;

*Whereas* Commissioner Nowak was appointed to the NARUC Executive Committee in 2016 by NARUC President Travis Kavulla to serve as the MARC representative on the Committee;

*Whereas* Commissioner Nowak elected to run for the MARC opening into NARUC leadership in 2016, and was elected;

*Whereas* Commissioner Nowak was elected as NARUC Second Vice President in November 2016, and was subsequently elected to serve as NARUC First Vice President in November 2017;

*Whereas* on the cusp of becoming President of NARUC, in March of 2018 Governor Walker appointed Commissioner Nowak as Secretary of the Department of Administration, the top administrative position in Wisconsin government;

*Whereas* Administrator Nowak served in that role until just prior to the end of Governor Walker's term, when she was then reappointed to the Public Service Commission of Wisconsin, as chairperson, in January 2019;

*Whereas* Commissioner Nowak was again appointed to the NARUC Board of Directors for NARUC as an appointed member in January 2019 by NARUC President Nick Wagner, where she took on the role of coordinating NARUC's Ambassador Program, pairing new commissioners with experienced commissioners to assist their entry into becoming a state utility regulator and member of NARUC;

*Whereas* Commissioner Nowak was appointed Chair of NARUC's International Committee by NARUC President Brandon Presley, making her a Committee Chair member of the NARUC Board of Directors;

*Whereas* Commissioner Nowak provided double duty by also serving as Chair of the Electricity Committee's Subcommittee on Clean Coal and Carbon Management, leading the U.S. Department of Energy-NARUC Coal Modernization and Carbon Management Partnership;

*Whereas* Commissioner Nowak further served as a member of the Gas Committee;

*Whereas* Commissioner Nowak has served with distinction as a "NARUC Global Ambassador" by representing NARUC at the Sixth World Forum on Energy Regulation in May of 2015 in Istanbul, Turkey;

*Whereas* Commissioner Nowak also actively contributed to leadership-level discussions during the EU-US Energy Regulatory Roundtables (13th Roundtable – April 2017 [Arlington, Va.] and 12th Roundtable – April 2016 [Madrid, Spain]);

*Whereas* Commissioner Nowak has been a wonderful supporter of the USAID/NARUC Advancing Women Leaders in Energy (AWLE) initiative from 2021 to 2023 by serving as a mentor twice to young female regulators in the Europe & Eurasia region and sharing experiences and leadership guidance through virtual and in-person trainings;

*Whereas* Commissioner Nowak helped initiate discussions with energy officials from Central Asia by speaking about Public Participation in the Regulatory Decision-Making Process during the webinar series: The Role, Structure, and Function of the Regulator under the USAID/NARUC Central Asia Energy Regulatory Partnership, December 10-11, 2020;

*Whereas* Commissioner Nowak spoke about Working with Utilities to Communicate Crucial Information about Prices and Safety during the USAID/NARUC Europe & Eurasia Energy Crisis Communications Webinar, September 2022;

*Whereas* Commissioner Nowak shared key concepts on Regulatory Independence for regulators in Bosnia and Herzegovina in July 2021 in a USAID/NARUC-sponsored webinar;

*Whereas* Commissioner Nowak has served, in no particular order, as President of the Mid-America Regulatory Conference (MARC); as a member of the Advisory Council for the Center for Public Utilities at New Mexico State University; on the Committee on Energy Resources and the Environment; on the Task Force on Environmental Regulation and Generation; and Task Force on Emergency Preparedness, Recovery and Resiliency; on the Advisory Council to the Board of Directors for the Electric Power Research Institute; and on the Advisory Committee for the Critical Consumers Issues Forum;

*Whereas* prior to her initial appointment to the PSC of Wisconsin, Commissioner Nowak served in a variety of positions in public service, including as the chief of staff to the Waukesha County Executive; as legal counsel and subsequent chief of staff to the Speaker of the Wisconsin Assembly, as well as a private practice attorney; *now therefore be it*

*Resolved* that the Board of Directors of the National Association of Regulatory Utility Commissioners, convened at its 2023 Winter Policy Summit, extends its sincere gratitude to Commissioner Ellen Nowak for her outstanding leadership and for her support of NARUC's mission; *and be it further*

*Resolved* that her many friends and colleagues are pleased to wish Ellen the very best in all future endeavors.

Adopted by the NARUC Board of Directors on February 15, 2023*

***Honorary Resolution for Commissioner M. Beth Trombold***

*Whereas* M. Beth Trombold has been a dedicated public servant to the State of Ohio for more than 30 years, including 26 years with the Public Utilities Commission of Ohio (PUCO);

*Whereas* Commissioner Trombold has served as commissioner for ten years, being appointed by Governor John Kasich in 2013 and reappointed in 2018, and has served as vice-chair of the PUCO since 2016 and as interim chair in 2019 and again in 2020-2021;

*Whereas* Commissioner Trombold has been an active member of the Mid-Atlantic Conference of Regulatory Utilities Commissioners (MACRUC) and the National Association of Regulatory Utility Commissioners (NARUC) as a member of the Committee on Energy Resources and the Environment, the Committee on Electricity as co-vice chair, the Washington Action Program, and the Advancing Women Leaders in Energy project;

*Whereas* Commissioner Trombold served as co-vice-chair of the NARUC-NASEO Task Force on Comprehensive Electricity System Planning, including hosting a task force workshop in Columbus in 2019;

*Whereas* Commissioner Trombold has represented Ohio in the Organization of PJM States (OPSI) for many years, including serving as president of the OPSI Board in 2015-2016;

*Whereas* Commissioner Trombold educated regulators internationally through formal partnerships with the U.S. Agency for International Development and the U.S. Department of Energy, including traveling to Ukraine in 2013, Bosnia in 2018, and Japan in 2019;

*Whereas* Commissioner Trombold co-led the PUCO's effort to develop PowerForward, a two-year initiative wherein Ohio was nationally recognized in states' efforts to modernize the electric grid;

*Whereas* being known for her knowledge, leadership, and ability to work with all constituencies, Commissioner Trombold earned the respect of commission staff, federal, state, and local officials as well as industry and consumer advocates;

*Whereas* Commissioner Trombold's friendly demeanor, willingness to serve, and commitment to public service will be remembered by the many individuals with whom she was engaged; *now therefore be it*

*Resolved* that the Board of Directors of the National Association of Regulatory Utility Commissioners, convened at its 2023 Winter Policy Summit, congratulates Commissioner Emeritus Beth Trombold on her tenure at the Public Utilities Commission of Ohio and offers best wishes for happiness and success in her future endeavors.

Adopted by the NARUC Board of Directors on February 15, 2023*

***Honorary Resolution for Commissioner Kimberly O’Guinn of Arkansas***

*Whereas* Kimberly O’Guinn has been a dedicated public servant to the State of Arkansas for more than 20 years;

*Whereas* Commissioner O’Guinn served as commissioner at the PSC for six years, being appointed by Governor Asa Hutchinson in 2016;

*Whereas* Commissioner O’Guinn was nominated to the National Association of Regulatory Utility Commissioners (NARUC) Board of Directors by President Nick Wager in 2019;

*Whereas* Commissioner O’Guinn was appointed to the NARUC Executive Committee by President Brandon Presley in 2019;

*Whereas* Commissioner O’Guinn was a member of the Southeastern Association of Regulatory Utilities Commissioners (SEARUC) and Mid-America Regulatory Conference (MARC) as well as an active member of the Executive Committee, Committee on Energy Resources and the Environment, Committee on Gas, Washington Action Program, Committee on International Relations, and Subcommittee on Education and Research;

*Whereas* Commissioner O’Guinn served as chair of the NARUC Emergency Preparedness, Recovery, and Resiliency Task Force between April 2020 and April 2022 and was instrumental in publishing several key resources, including a report on public utility commission responses to the COVID-19 pandemic, a Federal Funding Guidebook for Pre- and Post-Disaster Resilience, and ongoing work with a Black Sky Technical Playbook to be released in 2023;

*Whereas* Commissioner O’Guinn has served in leadership roles with the Financial Research Institute Board, Center for Public Utilities Advisory Council, Southwest Power Pool Regional State Committee, Entergy Regional State Committee, the Organization of MISO States, the Electric Power Research Institute Advisory Council, Women’s Foundation of Arkansas, National Utilities Diversity Council, American Association of Blacks in Energy, and Arkansas Women in Power;

*Whereas* Commissioner O’Guinn previously served as director of communications for the Arkansas Department of Environmental Quality and permit engineer at the Arkansas Department of Environmental Quality’s Office of Air;

*Whereas* Commissioner O’Guinn was an Engineering Fellowship Recipient with NASA’s Space Grant Consortium/NASA Established Program to Stimulate Competitive Research;

*Whereas* Commissioner O’Guinn is a graduate of the University of Oklahoma;

*Whereas* Commissioner O’Guinn was chosen by Southwest Power Pool to serve as director of state regulatory policy beginning in January 2023;

*Whereas* Commissioner O’Guinn never says no to an opportunity to volunteer her expertise and time;

*Whereas* Commissioner O’Guinn values brevity from attorneys and witnesses and does not hesitate to call out nonsense, particularly from certain former NARUC presidents;

*Whereas* Commissioner O’Guinn is passionate about French fries and chocolate sauce and has been known to be a temporary resident of the Hartsfield-Jackson Atlanta Airport;

*Whereas* Commissioner O’Guinn was known for her expertise, professionalism, collegiality, and commitment to public service;

*Whereas* Commissioner O’Guinn’s tenure at the PSC will be remembered by the many individuals with whom she was engaged; *now therefore be it*

*Resolved* that the Board of Directors of the National Association of Regulatory Utility Commissioners, convened at its 2023 Winter Policy Summit, congratulates Commissioner Emeritus Kim O’Guinn on her tenure at the Arkansas Public Service Commission and offers best wishes for happiness and success in her future endeavors.

### ***Honorary Resolution for John F. Guastella***

*Whereas*, John F. Guastella was a prime mover in 1974 in the creation of the National Association of Utility Commissioners' (NARUC) Utility Rate School, beginning with the Eastern school in 1974 and adding the Western school in 1980;

*Whereas*, John was employed by the New York State Public Service Commission for 16 years;

*Whereas*, in 1970, the New York State Public Service Commission promoted John to Chief of Rates and Finance in the Commission's Water Division;

*Whereas*, in 1972, John was made Assistant Director of the Commission's Water Division;

*Whereas*, in 1974, John was promoted by New York State Public Service Commission Chairman Alfred E. Kahn to Director of the Water Division with duties to include performance and supervision of engineering and economic studies concerning rates and service, and responsibility for more than 450 water companies in New York State, and led a professional staff of 32 engineers plus 3 technicians;

*Whereas*, during John's tenure with the New York State Public Service Commission he served as vice-chairman of NARUC's Staff Subcommittee on Water and prepared a detailed instruction on the kinds of operation and accounting records that should be kept by small water utilities and how to use those records, for a NARUC publication, "Model Record-Keeping Manual for Small Water Companies;"

*Whereas*, in 1974 he prepared study materials for what was the beginning of NARUC's Eastern Rate School, coordinating over the years with the University of South Florida, Florida Atlantic University, University of Utah, Florida State University, the University of Florida and Michigan State University;

*Whereas*, John served for over four years as President of Country Knolls Water Works, Inc., that served some 5,500 customers in Saratoga County, New York;

*Whereas*, in 1978, John left the New York State Public Service Commission and established his own firm, Guastella Associates, LLC, ultimately serving clients in 28 states in matters of utility regulation and rate setting, encompassing revenue requirements, revenues, operations and maintenance expenses, depreciation, taxes, return on investment, cost allocation and rate design;

*Whereas*, through Guastella Associates, John has performed depreciation studies to establish average service life, depreciation rates for utility property and performed appraisals of utility companies for management purposes and condemnation proceedings;

*Whereas*, John has qualified and been accepted as an expert witness before regulatory agencies and municipalities in the states of Alaska, California, Connecticut, Delaware,

Florida, Georgia, Illinois, Indiana, Maryland, Massachusetts, Missouri, Montana, Nevada, New Hampshire, New Jersey, New Mexico, New York, North Dakota, Ohio, Pennsylvania, Rhode Island, South Carolina, Texas and Virginia;

*Whereas*, John served as a member of the Board of Directors of the National Association of Water Companies (NAWC);

*Whereas*, John has continuously lectured at nearly each of NARUC's Eastern and Western Rate Schools during the past 50 years, and has served as an instructor and panelist on water and wastewater regulation for the Independent Water and Sewer Companies of Texas, the New England Chapter of the National Association of Water Companies, and developed and conducted a special seminar for developer-related water and wastewater utilities in conjunction with Florida State University and the University of Florida;

*Whereas*, John prepared and conducted special workshop seminars on financial structuring of small water and wastewater utilities and participated in an expert workshop on full-cost pricing conducted by the U.S. Environmental Protection Agency, and has conducted numerous rate-setting and valuation seminars on behalf of the New York, New Jersey, Florida and New England Chapters of the National Association of Water Companies;

*Whereas*, John has presented on a wide variety of rate, valuation, and regulatory issues before NARUC, the American Water Works Association (AWWA), the New England Water Works Association, the National Association of Water Companies, the New England Conference of Public Utility Commissioners, the Mid-American Regulatory Conference, the Southeastern Association of Regulatory Utility Commissioners, the Pennsylvania Environmental Conference, the Public Utility Law Section of the New Jersey Bar Association and the NAWC Water Utility Executive Council, and was instrumental in the development of the M-1 Water Rates manual of the AWWA;

*Whereas*, John has taught thousands of students, including regulatory staff, utility personnel, commissioners, and members of accounting, engineering, legal, and consulting firms throughout the country;

*Whereas*, past rate school students can say that John's brief explanation of the Theory of Relativity surpasses anything Einstein could do, demonstrating that if he could teach you that Theory in five minutes, you would have nothing to fear from Rate School;

*Whereas*, John remained loyally dedicated to the NARUC Rate Schools for 50 years, even during years of extreme state budget constrictions;

*Whereas*, even during the 2020 coronavirus pandemic John continued to share his knowledge, teaching virtually with students online via ZOOM, maintaining his devoted years of unbroken service;

*Whereas*, John's teaching method was brilliantly humorous, memorable, and effective;

*Whereas, John is one of the kindest people you would ever meet;*

*Whereas, John has always been ready with a smile on his face and eagerness to help improve and contribute to the Rate Schools in any way;*

*Whereas, John has stayed involved for 50 years because he knows that “one must do, what one must do;” now therefore be it*

*Resolved that the Board of Directors of the National Association of Regulatory Utility Commissioners, convened at its 2023 Winter Policy Summit, congratulates and thanks John F. Guastella for his life-long commitment to utility technical and rate-setting education and professional services to regulated and unregulated utilities nationally, and 50 years to NARUC, specifically.*

Adopted by the NARUC Board of Directors on February 15, 2023*

***Honorary Resolution for Cary Hinton of  
The District of Columbia Public Service Commission***

*Whereas* Cary Hinton has now retired following a distinguished and dedicated career as advisor to the National Association of Regulatory Utility Commission's (NARUC) Committee on Telecommunications in multiple capacities on multiple issues and resolutions throughout the years;

*Whereas* Cary Hinton has also retired from the District of Columbia Public Service Commission (DC PSC) after serving professionally and with distinction in service to the former Chairman of the District of Columbia Service Commission (DC PSC) Betty Ann Kane and as the Director of the Office of External Affairs during his tenure at the DC PSC;

*Whereas* Cary Hinton has undertaken many duties in the telecommunications ecosphere as regulatory lobbyist, policy analyst, commissioner's advisor, and NARUC Telecommunications Committee member throughout his remarkable career;

*Whereas* Cary Hinton is a renowned expert on the wording and punctuation needed to be addressed on any NARUC Resolution concerning telecommunications throughout the years;

*Whereas* Cary Hinton could be counted to inform the attendees at all NARUC meetings about every issue under consideration by the Federal Communications Commission (FCC), usually accompanied by a trenchant observation of what that meant to the states;

*Whereas* Cary Hinton remains a renowned expert on the best restaurants for dining and discussing NARUC issues in each and every location where NARUC has had its Winter, Summer, and Annual meetings throughout the years;

*Whereas* Cary Hinton is a recognized expert on the location of every microbrewery and the composition, quality, and price of any and every product available in any microbrewery in any location where NARUC had its Winter, Summer, and Annual meetings throughout the years;

*Whereas* Cary Hinton developed a policy and process expertise on the ways and means by which many state commissions support their public utility regulatory efforts, including the DC PSC;

*Whereas* Cary Hinton would regularly and often inform the Telecommunication Staff Committee that, because the District of Columbia was not a State, Commonwealth, or Territory and lacked any voting authority in Congress, every Resolutions must include the word District;

*Whereas* Cary Hinton could be counted on to submit multiple resolutions on all things telecommunications and broadband for consideration by the Telecommunications Staff Subcommittee;

*Whereas* Cary Hinton has developed an incredible music collection with a vast range of interests and an uncanny ability to know which band was playing where and when at any location where NARUC has had its Winter, Summer, and Annual meetings throughout the years;

*Whereas* Cary Hinton could be counted on to share his knowledge of restaurants, microbreweries, music venues, and resolution edits with any and all members of the NARUC Telecommunications Staff Committee.

*Whereas* Cary Hinton has benefitted from the assistance and insight provided by his wife, Mary, on many telecommunications and broadband issues, particularly those impacting smaller and rural carriers;

*Whereas* having earned his Bachelor of Arts in Urban Affairs from the University of Southern California, Los Angeles, and his Master of Science in Resource Policy and Management from the University of Michigan, Ann Arbor;

*Whereas* Cary Hinton has served the DC PSC and NARUC with high intelligence, honor, and integrity, *now therefore be it*

*Resolved* that the Board of Directors of the National Association of Regulatory Utility Commissioners, convened at its 2023 Winter Policy Summit in Washington, DC, recognizes, commends, and thanks Cary Hinton for his fearless, exhaustive, and principled efforts to protect the public interest in general, and the District in particular, during his long career, particularly his spirited defense of the interests of the District in all things telecommunications, and extends its respect and best wishes to him and his wife Mary.

*Adopted by the NARUC Board of Directors on February 15, 2023*

***Kerry Worthington Resolution for Mary Kilmarx Award***

*Whereas* Kerry Worthington is a former NARUC employee who continues to support the regulatory community as a contractor to the Office of Energy Efficiency and Renewable Energy at the U.S. Department of Energy;

*Whereas* Kerry was a Senior Manager at NARUC from 2014 to 2022, providing critical and unwavering support to the Energy Resources and the Environment Committee;

*Whereas* Kerry organized countless panels, working groups, trainings, and webinars that helped NARUC members improve their understanding of electricity delivery, distributed generation, distributed energy resources, performance regulation, distribution system planning, transmission planning, utility compensation, risk management, and grid modernization;

*Whereas* Kerry staffed the Eastern Interconnection States' Planning Council and then the National Council on Electricity Policy;

*Whereas* Kerry supported NARUC's Staff Subcommittee on Rate Design in preparing the NARUC Manual on Distributed Energy Resources Rate Design and Compensation;

*Whereas* Kerry earned a B.S. in Business Administration from Towson University and recently completed an M.B.A. from the University of Maryland;

*Whereas* Kerry has worked diligently and professionally to train regulators across the country (and beyond) in the name of good government, clean energy, and the environment;

*Whereas* Kerry's commitment to understanding the dynamism of the regulatory environment for electricity and to facilitating the understanding of regulators has allowed us to deepen our understanding and perform more competently; and

*Whereas* Kerry, with caring and patience, led hundreds of NARUC members on a journey to becoming more educated and more confident regulators and to better serve the public interest.

*Resolved* that the National Association of Regulatory Commissioners, convened at its Winter Policy Summit in Washington, DC, extends gratitude to Kerry Worthington for her leadership and dedication at NARUC and for her efforts to serve its members with excellence in all her activities. NARUC expresses its best wishes for her continued career development and encourages her to continue to offer her talent in service to regulators and regulated utilities.
