

Subcommittee on COVID-19 August Meeting Minutes August 16, 2021

Chair Ann Rendahl and Vice-Chair Dan Lauf convened the August meeting of the Subcommittee on COVID-19, followed by introductions from the membership of the Subcommittee.

The group reviewed the second draft of the Subcommittee's final lessons learned report. The group reviewed, edited, and finalized the key findings and lessons learned section of the report. The Subcommittee then reviewed the Executive Summary of the report and offered suggested clarifications. NARUC staff will work to incorporate that feedback in final draft format later in August.

NARUC staff detailed the expected timeline for completion of the final report of the Subcommittee. Subcommittee members are encouraged to send Will McCurry wmccurry@naruc.org final written feedback on this draft by August 24. NARUC staff will produce a final draft of the report for pre-publication copyediting by the end of August. The Subcommittee is targeting September for completion and publication of the Lessons Learned final report.
