

## Self-Parking Information

The self-parking garage is located under the hotel. It is operated by Colonial Parking. Please let the front desk know that you have parked in the garage when you check-in.

**Location:** The garage can be accessed on I (eye) Street. From 9<sup>th</sup> street make a left onto I (eye) street and then the next immediate left into the parking garage. Pull a ticket from the machine labeled Colonial Parking when you arrive at the gate.

**Parking Availability:** Once you have passed through the gate, you may park wherever you see a spot in the 2<sup>nd</sup>, 3<sup>rd</sup>, or 4<sup>th</sup> levels of the garage. These are labeled at P2, P3, and P4. Please note that the clearance height is 6' 5" for self-parking but please note that there are ceiling areas as low as 5' 11".

**Accessing the Hotel from the Parking Garage:** The hotel has colored coded sections. The elevators that are located in the yellow section of the hotel will bring you up to the hotel lobby. The elevators located in the red section of the garage will bring you up to the street level just outside the lobby doors into an outdoor sculpture garden.

**Cost:** Parking is \$35 per night. Make the front desk aware at check in that you have parked in the garage. The parking charge can be added to your reservation. The front desk will provide you with a new parking ticket with in and out privileges. Using this In/Out ticket is the most efficient way to depart the garage at check-out. Early Bird rate, \$15.00, if you are in by 9AM and out by 6PM.

**In and Out Garage Access:** If you would like to take your vehicle in and out of the garage throughout your stay, the front desk can provide you with a new ticket that will give you in and out privileges. Exchange the ticket you pulled when you entered the garage with the front desk at the time of check-in for an In/Out ticket. With this In/Out ticket, you will NOT have to pull a ticket each time you enter the garage. You will use the new In/Out ticket provided by the desk throughout your stay and for your final departure from the hotel on check-out day.

**Exiting the Garage with an IN/OUT Ticket:** Pull your vehicle up to the exit gate and hold your IN/Out ticket under the scanner that is located on the large grey machine that says Colonial at the top in a green sign. After your ticket is scanned, the gate will lift.

**Departure Day:** On the day of your departure, you may leave your vehicle in the garage up to 5PM without additional charges.

**Parking Garage Assistance:** The Colonial Garage is staffed with an attendant from 7AM to 11PM Monday thru Friday and then 8AM to 11PM Saturday and Sunday. If you need assistance outside of these hours, please push the intercom button located on the machine located at the exit gate. It will ring for several minutes while you are connected with a Colonial Parking office off-site.

**Parking Electric Cars:** Please see the front desk of the hotel for information regarding the BLINK Electric Vehicle charging station located on the P1 level of the garage.
