NARUC Congratulates Newly Confirmed FERC Commissioners

WASHINGTON (October 8, 2025) — The National Association of Regulatory Utility Commissioners has issued the following statement after the U.S. Senate confirmation of Commissioner Laura V. Swett and Commissioner David A. LaCerte to the Federal Energy Regulatory Commission:

“On behalf of NARUC and its members, I am happy to congratulate Commissioner Swett and Commissioner LaCerte on their confirmations,” said NARUC President Tricia Pridemore, of Georgia. “NARUC looks forward to engaging with a full complement of FERC commissioners as we continue to work together on the Federal-State Current Issues Collaborative and other issues facing state and federal regulators.”

About NARUC

NARUC is a non-profit organization founded in 1889 whose members include the governmental agencies that are engaged in the regulation of utilities and carriers in the fifty states, the District of Columbia, Puerto Rico and the Virgin Islands. NARUC's member agencies regulate telecommunications, energy, and water utilities. NARUC represents the interests of state public utility commissions before the three branches of the federal government.
