**NARUC**

National Association of  
Regulatory Utility Commissioners

## **NARUC Congratulates New FERC, FCC and NRC Chairs**

**WASHINGTON** (January 23, 2025) — The National Association of Regulatory Utility Commissioners has issued a statement in response to President Donald Trump’s appointments of Commissioners Mark Christie, Brendan Carr and David A. Wright to chair the Federal Energy Regulatory Commission, the Federal Communications Commission and the Nuclear Regulatory Commission, respectively.

“NARUC is pleased to learn of these appointments, and we are excited to work with FERC Chairman Christie, FCC Chairman Carr and NRC Chairman Wright on important issues central to NARUC members and the American people,” said NARUC President Commissioner Tricia Pridemore, of the Georgia Public Service Commission. “Each of these Chairmen know NARUC and have engaged with us over the years. They understand the challenges of state utility regulators, and we look forward to working with them during this exciting era in our nation.”

### **About NARUC**

*NARUC is a non-profit organization founded in 1889 whose members include the governmental agencies that are engaged in the regulation of utilities and carriers in the fifty states, the District of Columbia, Puerto Rico and the Virgin Islands. NARUC's member agencies regulate telecommunications, energy, and water utilities. NARUC represents the interests of state public utility commissions before the three branches of the federal government.*
