Submission Guidelines

PUC Press Releases: Timely items of interest to our members may be submitted. Whenever possible, please include a direct link to the release.

Article Submission: Submit Word files, which are subject to editing and proofreading for grammar and clarity. Submit images, figures, and tables as separate files to better accommodate final layout. Be sure to include the author's affiliation for the byline.

Sponsor Features: Include company logo. A notation will appear at the end of the article indicating that the submission is part of a sponsorship agreement.

In Memoriam: The *Bulletin* often includes notices of PUC members who have passed away, as well as mentions of individuals known to the broader utility community. We welcome those submissions: include a link to the obituary, photo(s), and a statement from your organization (optional).

Videos/Podcasts: Has your PUC or organization been featured in or produced content that may interest our subscribers? If so, feel free to share those links.

**Dates may be subject to change, depending on holidays and/or other NARUC priorities.*
